RE: Community Development Block Grant Program – Year 43 Annual Action Plan Process

The City of Meriden (the City) is releasing the attached Notice of Funding Availability and Request for Proposals for the Community Development Block Grant (CDBG) annual planning process in connection with the City's 2015-2020 Consolidated Plan (Con Plan) for Housing and Community Development. Citizen participation in the annual planning process is vital to creating a plan that meets the needs of the City.

Each year, the City of Meriden submits an Action Plan to the U.S. Department of Housing and Urban Development (HUD) detailing how it intends to use its CDBG entitlement grant funds. Meriden received \$892,364 in CDBG funding for the current Program Year (PY42) and will approach the Program Year 43 planning process assuming level funding. Should funding increase or decrease, awarded grants will be proportionally increased/decreased as applicable. On or about May 15, 2017 the City will submit to HUD its Annual Action Plan for Program Year 43 (PY43).

The Department of Economic Development is seeking input on how to best allocate CDBG grant funds in PY43 to meet the needs of Meriden's low- and moderate-income residents. Please review the Goals and Objectives in the Consolidated Plan and identify the objectives most important to you by March 7, 2017. Attached to this memorandum please find the following:

Background Information

The City of Meriden is a small urban community located in central Connecticut with 60,868 residents. Meriden is a federal entitlement community and a state-designated distressed municipality. An analysis of the income levels from the 2010 US Census shows that the household income of 15,291 families in Meriden is below the Federal poverty level. Data from the 2000 US Census indicates that 48.8 percent of the City's households meet the CDBG definition of an extremely low, very-low, or low-income household.

As a federal entitlement community, the City of Meriden is eligible to receive an annual allocation of Community Development Block Grant (CDBG) funding based on the federal allocation formula. The City anticipates the availability of approximately \$892,364 in Community Development Block Grant funds for the City's 2017-2018 fiscal year (CDBG Program Year 43). The City, via the City Council, allocates CDBG grants to programs that primarily serve low- (<80% of median income), very-low (<50% of median income), and extremely-low (<30% of median income) income households (see attached income guidelines for income limits by household size).

Each year, the City of Meriden solicits proposals from non-profit organizations, government agencies, and City of Meriden departments that operate programs benefiting low- and moderate-income persons. The CDBG Program is administered and monitored by the City's Department of Economic Development. The City is authorized by federal regulations to spend up to fifteen percent (15%) of its CDBG entitlement funds on public service programs that benefit low- and moderate-income persons, and up to twenty percent (20%) on program administration. The remainder of the funding can be used for programs or projects that meet one of the three National Objectives and meet a Goal or Objective in the 2015-2020 Consolidated Plan. Projects eligible for funding include public service activities, public facility improvements, and housing activities.

Within the City's overall allocation of CDBG funds, a minimum of 70% of the funds must be used for programs or projects that meet the low- and moderate-income benefit objective. Governmental activities serving the City as a whole must demonstrate that 51% of the participants or beneficiaries of the program or project are low- and moderate-income households. Each CDBG funding recipient must agree to provide documentation of the income levels and other demographics of the participants in the program in order to comply with HUD regulations.

Purpose of the Request for Proposals (RFP)

The purpose of this RFP is to give eligible applicants information to respond to the opportunity to participate in the CDBG program. This RFP describes how to become a participant in CDBG program, applicant eligibility, project eligibility, types of permissible activities, and reporting requirements. Also included in the RFP are the Application Forms.

To apply for CDBG funding, applicants must submit one (1) original and two (2) copies of the completed Application Form by 5:00 p.m. Wednesday, March 7, 2017 to:

**City of Meriden
Department of Economic Development – Community Development Office
142 East Main Street – Room 218
Meriden, CT 06450**

Applications will not be accepted by fax or email. Applications mailed to Economic Development must be post marked prior to the application deadline.

If you have questions concerning this solicitation, contact Doreen Roddy, at (203) 630-4124 or droddy@meridenct.gov.

The City of Meriden anticipates the availability of approximately \$892,364 in Community Development Block Grant Funds for the City's 2017-2018 fiscal year, which is CDBG Program Year 43. Funds will be used to cover the costs associated with programs that meet the eligibility requirements outlined in this RFP.

Prospective applicants must submit two completed application forms included in this RFP to be considered. **One (1) original and two (2) copies of the Application Form are due to the City of Meriden no later than 5:00 p.m. on Wednesday, March 7, 2017. - Estimated project budget: use of funds requested.
- Other materials: Additional project narrative and budget materials may be submitted.

So that the City may fairly evaluate each component of every program, only proposals submitted on the application forms provided will be considered. A separate form must be completed for each proposal submitted. All forms must be completed in their entirety in order for any party to be considered for funding. All proposals must be received by 5:00 p.m., March 7, 2017, by the City of Meriden, Office of Community Development, City Hall, Room 218, 142 East Main Street, Meriden, CT 06450.

Please review your project to ensure that it is eligible under U.S. Department of Housing and Urban Development Block Grant Program regulations at 24 CFR Part 570. A list of federal laws and regulations covering CDBG activities is included in this RFP. If you have any questions about these requirements, please contact the Office of Community Development, (203) 630-4124.

II. Applicant eligibility

The following entities are eligible to apply for CDBG funding:

- A. Government agencies**, including public agencies, commissions, or authorities that are independent of the grantee's government (for example, a public housing authority).

B. Private non-profits, including corporations, associations, agencies, or faith-based organizations with non-profit status under the Internal Revenue Code (Section 501(c)(3)), usually with a board of directors and an executive director in charge of daily administration. Examples of private non-profits include private social services agencies (such as those providing counseling, or daycare providers), community development corporations, faith-based housing development groups or social service providers, and operators of homeless shelters.

C. City of Meriden Departments conducting CDBG-assisted activities.

III. Project eligibility

A. National Objectives

Each activity proposed, except planning and administrative activities, must meet one of the three broad National Objectives identified by the federal Department of Housing and Urban Development:

- Aid in the prevention or elimination of slums or blight;
- Meet community development needs having a particular urgency (such as a presidentially declared disaster).

B. City's Consolidated Plan 2015-2020

Each activity proposed must meet one of the objectives identified in the City's Consolidated Plan for it to be eligible to receive CDBG funds. A copy of the approved 2015-2020 Plan is on the City Website.

C. City's Housing and Community Development Objectives

Each activity proposed must meet one or more of the City's housing and community development objectives, including: 1) maintain its existing housing stock, 2) enforce local codes, 3) eliminate and reduce slum and blight influences, 4) promote home ownership and housing choice, 5) reduce lead hazards, 6) improve safety and security, 7) provide needed supportive services, 8) reduce renter cost burden, 8) meet homeless and other special population needs, 9) retain and expand local businesses, 10) recruit new businesses, 11) train and develop the local labor force, and 12) redevelop underutilized or vacant properties.

IV. Types of permissible activities

The City of Meriden is permitted, but not required, to spend up to fifteen percent (15%) of allocated CDBG funds on Public Services. Programs should provide the direct delivery of services and related costs. CDBG funds may not be used to replace cutbacks in local government support for public services. Funding requested must either be for a new program or an increased number of residents served by an existing program. Examples of eligible public service projects include employment assistance, daycare programs for children, transportation for special needs groups, counseling

programs, social service programs, senior services, emergency food, and educational services. Public Service activities must benefit low- and moderate-income Meriden residents.

B. Public Facilities

Eligible Public Facilities projects include most types of community facilities, such as community centers, senior centers, centers for people with disabilities, daycare centers, parks, recreation facilities, public works, or buildings that house public services. The removal of architectural barriers which limit accessibility is allowed. Public Facilities must be located in the City of Meriden and must serve primarily low- and moderate-income people.

C. Housing

The City of Meriden is permitted to use CDBG funds to improve the condition of the housing stock in the City's low-income areas. Eligible housing activities include the rehabilitation of owner-occupied housing administered by the City's Neighborhood Preservation Program, homebuyer assistance, and fair housing services. Infrastructure related to the rehabilitation of owner-occupied housing may also be considered. CDBG funds cannot be used directly for new housing construction or for predevelopment expenses. Housing must be located in the City of Meriden.

V. Reporting requirements and records to be maintained

All entities receiving CDBG funds must provide documentation of the program activities as required by the City of Meriden. Grantees will be provided with reporting forms that must be submitted on a quarterly basis. Additional documentation may also be requested in one or more of the following areas:

- Documentation showing that the Public Service or Public Facility is designed for and used by a segment of the population presumed by HUD to be principally low- and moderate-income, including the homeless, abused spouses and/or children, the elderly, the disabled, residents of public housing, and illiterate adults.
- Documentation describing how the governmental activity will primarily benefit low- and moderate-income persons.
