Question: On Page 6 of this RFP, we are directed to a checklist - "Appendix B contains a checklist of requirements for use by the submitting firm. Inclusion of the checklist with the Statement of Qualification is required" Is there a separate checklist? Or is Page 6 the checklist? Also, is SF-330 required? It is listed on the cover page, but not on the Page 6 list.

Answer: *Page 6 consists of the requirements bidders shall comply with. Also, SF-330 is required.*

At this time the City does not have the infrastructure to accept electronic bids and therefore bids will only be accepted as directed in the bid documents.
