**NOTICE TO BIDDERS
ADDENDUM #001**

TO THE BID FOR: B019-12 UST Removal and Soil Remediation at 1 King Place

FOR: City of Meriden

QUOTE DUE DATE: **December 13, 2018 at 2:00 PM**

Please acknowledge receipt of all addenda on the Proposal Pages.

The purpose of this addendum is to:

1. Provide the mandatory pre-bid sign in sheet
2. Provide the revised Bid Form and Payment Items Specification, with corrected due date and updated Price Item #4. This Revised form **MUST** be used.
3. Answer following the RFIs

1) What is the depth to the top of the tank?

A. We have no tank installation documentation indicating depth to top of tanks. Based on surface features (slight mounding) in area of tanks, assume top of tanks are just below the surface to no more than 2 feet below grade.

2) Has the No. 6 fuel oil been recently sampled? If not, should the bidder pricing base on non-hazardous waste for the residual product?

A. The No. 6 fuel oil has not been sampled recently. Please provide pricing for both non-hazardous and hazardous waste for disposal of the residual product.

3) What type of access will the contractor be given to reach the tank excavation area (previous contractor's fence is already there)?

A. Access will be granted through American Environmental Inc. (hazmat contractor); AEI's site supervisor is Jamie Cardona (413-887-9344). Contractor work hours on site are 6:30AM until 3:00 PM.

4) Is this a prevailing wage job?

A. This is not a prevailing wage job.

5) What is the expected time frame (award to job completion)?

A. Bids are due on December 13, 2018; Award date is TBD. Exact job schedule to completion will be determined following award.
