Meriden Farmers Market: www.MeridenFarmersMarket.org

The Meriden Farmers Market rents space for vendors and supplies a robust marketing effort. Vendors and other participants are responsible for adherence to all laws and regulations, and for providing insurance coverage appropriate to their products. At the market, all non-profits and public service participants must have their business name prominently displayed and provide their own tables, chairs, and canopy. Other point of sale advertising is encouraged. This is a rain or shine market.
