OFFICE POLICY

Fire Protection Systems – Testing Records

142 E. Main Street
Room 14
Meriden, Ct 06450
Tele: (203) 630-4010
Fax: (203) 630-4278

Effective May 15, 2021 the following shall be the policy for reporting all testing records for fire protection systems that are regulated under the Connecticut State Fire Safety Code and the Connecticut State Fire Prevention Code.

All required fire protection system testing paperwork shall be uploaded by your inspection, testing, maintenance vendor to Brycer / Compliance Engine through their website. This shall be the only approved method to providing the required testing paperwork.

Vendors can register for upload at <http://www.thecomplianceengine.com>

A handwritten signature in blue ink that reads "John Yacovino".
