Youth Community Projects: Mini-Grants Available

(January 8, 2018) - Meriden Health and Human Services, Youth Services office, is pleased to announce that mini-grants are available for youth-developed, youth-led projects that will benefit the Meriden community.

Up to 6 mini-grants of \$250 are available. The proposal must be written by youth leaders under the advisement of an adult at a recognized organization that serves Meriden. All awarded youth groups will have to present their project at a Youth Services meeting to be held the first week of June. Projects must be completed by June 30, 2018.

Grants are due Friday, February 2, 2018, by 4:30pm. The application is available at www.meridenhealth.com, or can be obtained by emailing Lea Crown at lcrown@meridenct.gov. Funding for this project is provided by the State Department of Education Youth Service Bureau grant.
