

# REALTOR BREAKFAST: OPIOIDS 101

**OCTOBER 16, 2018**  
**8:15AM TO 9:15AM**

Theft of prescription drugs during open houses is on the rise. Make sure your clients are armed with the information they need to protect themselves.

Come learn how you can be a partner with local public health, prevention groups, First Responders and others to address the opioid epidemic. We will give you an overview of the current opioid crisis, give tips on what you can do as a Realtor, and provide you with resources to give to your clients.

This meeting is hosted by the Meriden Department of Health and Human Services and the Meriden Healthy Youth Coalition.
