VACANCY ANNOUNCEMENT

VACANCY: Water Plant Operator I - Water Division

SALARY: 34F -\$25.05 to \$31.43 per hour
40 Hour Work Week

NATURE OF WORK: This is an entry/training level to learn semi-skilled work in the operation and maintenance of all water filtration treatment plants, pump stations and wells. Training involves responsibility for the proper operation and maintenance of water filtration, purification and pump equipment and related devices in the municipal water plant. Training is performed in accordance with oral and written instructions of changes in operating procedures and practices; beyond this, the employee carries on operational, maintenance and custodial tasks independently and in accordance with established procedures. Training is reviewed by the analysis of submitted reports, observation of operations, and chemical and bacteriological water tests.

QUALIFICATIONS: High school graduate or the equivalent. Some experience in the operations and minor maintenance of mechanical and electrical equipment. Operator must obtain a State of CT Water Plant Operator Class I certification within time frame outlined in the Public Health Code and must have a valid Connecticut driver's license.

HOW TO APPLY: Apply on line at <https://tinyurl.com/meridencarers>.
Send resumes and applications with copies of all licenses/certifications to [humanresource @meridenct.gov](mailto:humanresource@meridenct.gov)

Applications are available in the Personnel Department, Room #235, City Hall. Office hours are Monday through Friday, 8:00 a.m. to 5:00 p.m. Open until Filled.
