ADDENDUM #001**

**TO THE BID FOR: B020-19 Laboratory Testing**

**FOR: Meriden WPCF**

**BID DUE DATE: February 25, 2020 at 11:30 AM**

Please acknowledge receipt of all addenda on the Proposal Pages.

The purpose of this addendum is to answer the following question:

**Q1:** If there are a few tests that we don't perform in house should we just put NA on that item or do you want us to include sub lab pricing?

**A1:** There is no specific restriction on subcontracting, other than the City having the right to review proposed subcontractors as described in Section 8 of Instructions to Bidders. A response of "N/A" for individual line items is acceptable on this bid form, if the bidder is unable to provide/offer any particular test, whether in-house or via subcontractor.
