## **Press Release**

The City of Meriden is engaged in a State-Mandated Property Revaluation to establish updated real estate assessments for the October 1, 2025, Grand List (for taxes payable in July 2026). The City has contracted with Vision Government Solutions Inc., a Connecticut Certified Revaluation Company, to assist the Assessor in completing the Revaluation project.

The accuracy of the data is crucial to the accuracy and uniformity of the assessments; therefore, we offer several options for you to provide us with the necessary information for your property. The preferred option is to complete the form if there are any changes and mail it back using the enclosed envelope. Another option is to complete the form and drop it off at the Assessor's office with any changes. Please note that if no changes are needed, you DO NOT have to return the form.

A response to this mailing, with changes, is required within 10 business days of the receipt of your data mailer. If there is no response to this letter, the information on file for this property will be used for valuation purposes. The property may still require an inspection based on: the changes noted on your data mailer; when the property was last inspected; if this property was recently sold; if it has an open building permit; or by random selection for quality control purposes.

Sincerely,  
Donna Calicchio  
Assessor, CCMA I
