

Addendum No. 1

June 7, 2019

Orville H. Platt High School Track & Field Improvements

City of Meriden Bid #B019-15

State of Connecticut Project #080-0093 RNV/E

PRE-BID MEETING

1. A copy of the Non-Mandatory Pre-Bid meeting sign-in sheet is included in this Addendum No. 1.

PROJECT MANUAL

1. Prevailing Wage Rates are included in this Addendum No. 1.

QUESTIONS RECEIVED TO DATE

Q1: I am inquiring on the intended start date and completion date for both Maloney and Platt running track and turf field projects?

R1: It is the city's intention to review the bids and award the project as quickly as possible after the June 19, 2019, opening. Ideally, July 15, 2019, would be the start date, with substantial completion on November 15, 2019.

Q2: Will the City of Meriden consider an alternate bid for the use of Post Tension Concrete in lieu of asphalt for the running track and field events?

R2: The city will consider an alternate bid for the use of post-tensioned concrete in lieu of an asphalt base for the running track and d-zone field event areas. Should the city accept the bid alternate for the post-tension base, the Contractor shall be required to do the following:

- **Not deviate from all other design requirements including but not limited to removals, existing soil management, subbase preparation, stone base layer requirements, fencing improvements, and drainage improvements.**
- **Not deviate from the current grading plan. No raising or lowering the proposed improvements will be permitted.**
- **The Contractor shall be required to submit a fully designed, stamped and sealed (by a Connecticut licensed engineer) set of post-tensioned cable design plans, details, and specifications for review and approval by the project engineer.**
- **Provide a 20-year structural warranty against cracking, heaving, and settling.**
- **Provide a track surfacing that conforms to the project specifications.**

A new Bid Form that includes under SECTION III – ALTERNATES: Alternate No. 2 – Post-Tensioned Concrete Track Base in Lieu of Asphalt is included herein and supersedes the

Bid Form located in the project manual. This new Bid Form with the header Addendum No. 1 and a revision date of June 7, 2019, shall be utilized and submitted with the bid package.

Q3: Hellas is most interested in competitively bidding the *B019-15 Reconstruction of the running track and installation of an artificial turf field at Orville H. Platt High School*. We ask that you please consider Hellas as an approved manufacturer and installer of our surfacing system as follows:

SYNTHETIC TRACK SURFACING: (Section 32 18 13)

Included are specifications for our epiQ Tracks S200 which we are submitting as equal or superior to the current specifications.

SYNTHETIC TURF SURFACING: (Section 32 18 14)

Included below (in the link) are specifications for our Fusion synthetic turf surfacing which we are submitting as equal or superior to the current specifications.

R3: We have reviewed the provided literature and accept the epiQ Tracks S200 as an approved equal to the specified track surfacing system.

For synthetic turf, the City preselected turf manufacturers and turf systems for this project that are included in the Specifications located in the Project Manual. No substitutions will be accepted.

Q4: I'm writing to seek approval for our Plexitrac Accelerator running track surfacing system as an alternate to the proposed Beynon BSS 100 Track Surface showing in the specification for the Francis T. Maloney High School and Orville H Platt Track Renovation projects. We are submitting our Plexitrac Accelerator, a premium environmentally friendly water-based system which meets or exceeds the IAAF performance standards listed in the specification. Also, this water-borne system does not require the use of acetones, isocyanates, or solvents during construction or clean-up. I have attached our product information, specifications, and testing data for your review.

R4: The project specifications require a urethane bound running track surfacing. Systems utilizing a latex binder will not meet project specifications and therefore will not be prequalified or accepted during shop drawing review as an approved equal product.

Q5: Can a bidder furnish and supply a single set of bonds if they bid both the Platt High School and Maloney High School projects?

R5: No. Since these are two separate state-funded projects, bidders must provide a separate set of bonds for each individual project. Please also note that copies of bonds will not be acceptable and result in immediate disqualification of the submitted bid.

Q6: I'm reaching out to request an addendum approving the Spurtan BS as an approved equal to the Beynon BSS100 running track surfacing system as per the email below.

R6: We have reviewed the provided literature and accept the Spurtan BS as an approved equal to the specified track surfacing system.

This ends Addendum No. 1.

Heavy duty trailer (40 tons and over)	29.58	23.33 + a
---------------------------------------	-------	-----------

Specialized earth moving equipment other than conventional type on-the road trucks and semi-trailer (including Euclids)	29.38	23.33 + a
-------------------------------------------------------------------------------------------------------------------------	-------	-----------

---POWER EQUIPMENT OPERATORS---

Group 1: Crane handling or erecting structural steel or stone, hoisting engineer (2 drums or over), front end loader (7 cubic yards or over), Work Boat 26 ft. & Over, Tunnel Boring Machines. (Trade License Required)	40.97	24.80 + a
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 2: Cranes (100 ton rate capacity and over); Excavator over 2 cubic yards; Piledriver (\$3.00 premium when operator controls hammer); Bauer Drill/Caisson. (Trade License Required)	40.64	24.80 + a
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 3: Excavator/Backhoe under 2 cubic yards; Cranes (under 100 ton rated capacity), Gradall; Master Mechanic; Hoisting Engineer (all types of equipment where a drum and cable are used to hoist or drag material regardless of motive power of operation), Rubber Tire Excavator (Drott-1085 or similar); Grader Operator; Bulldozer Fine Grade (slopes, shaping, laser or GPS, etc.). (Trade License Required)	39.88	24.80 + a
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 4: Trenching Machines; Lighter Derrick; Concrete Finishing Machine; CMI Machine or Similar; Koehring Loader (Skooper)	39.48	24.80 + a
-----------------------------------------------------------------------------------------------------------------------------	-------	-----------

Project: Orville H. Platt High School Track And Field Improvements

Group 5: Specialty Railroad Equipment; Asphalt Paver; Asphalt Spreader; Asphalt Reclaiming Machine; Line Grinder; Concrete Pumps; Drills with Self Contained Power Units; Boring Machine; Post Hole Digger; Auger; Pounder; Well Digger; Milling Machine (over 24" Mandrell)	38.87	24.80 + a
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 5 continued: Side Boom; Combination Hoe and Loader; Directional Driller.	38.87	24.80 + a
--------------------------------------------------------------------------------	-------	-----------

Group 6: Front End Loader (3 up to 7 cubic yards); Bulldozer (rough grade dozer).	38.55	24.80 + a
-----------------------------------------------------------------------------------	-------	-----------

Group 7: Asphalt Roller; Concrete Saws and Cutters (ride on types); Vermeer Concrete Cutter; Stump Grinder; Scraper; Snooper; Skidder; Milling Machine (24" and Under Mandrel).	38.20	24.80 + a
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 8: Mechanic, Grease Truck Operator, Hydroblaster, Barrier Mover, Power Stone Spreader; Welder; Work Boat under 26 ft.; Transfer Machine.	37.79	24.80 + a
------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 9: Front End Loader (under 3 cubic yards), Skid Steer Loader regardless of attachments (Bobcat or Similar); Fork Lift, Power Chipper; Landscape Equipment (including hydroseeder).	37.34	24.80 + a
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-----------

Group 10: Vibratory Hammer, Ice Machine, Diesel and Air Hammer, etc.	35.24	24.80 + a
----------------------------------------------------------------------	-------	-----------

As of:

Thursday, May 30, 2019

Project: Orville H. Platt High School Track And Field Improvements

Group 11: Conveyor, Earth Roller; Power Pavement Breaker (whiphammer), Robot Demolition Equipment.	35.24	24.80 + a
----------------------------------------------------------------------------------------------------	-------	-----------

Group 12: Wellpoint Operator.	35.18	24.80 + a
-------------------------------	-------	-----------

Group 13: Compressor Battery Operator.	34.58	24.80 + a
----------------------------------------	-------	-----------

Group 14: Elevator Operator; Tow Motor Operator (Solid Tire No Rough Terrain).	33.41	24.80 + a
--------------------------------------------------------------------------------	-------	-----------

Group 15: Generator Operator; Compressor Operator; Pump Operator; Welding Machine Operator; Heater Operator.	32.99	24.80 + a
--------------------------------------------------------------------------------------------------------------	-------	-----------

Group 16: Maintenance Engineer/Oiler	32.32	24.80 + a
--------------------------------------	-------	-----------

Group 17: Portable asphalt plant operator; portable crusher plant operator; portable concrete plant operator.	36.76	24.80 + a
---------------------------------------------------------------------------------------------------------------	-------	-----------

Project: Orville H. Platt High School Track And Field Improvements

Group 18: Power Safety Boat; Vacuum Truck; Zim Mixer; Sweeper; (minimum for any job requiring CDL license).	34.26	24.80 + a
-------------------------------------------------------------------------------------------------------------	-------	-----------

---LINE CONSTRUCTION---(Railroad Construction and Maintenance)---

20) Lineman, Cable Splicer, Technician	48.19	6.5% + 22.00
----------------------------------------	-------	--------------

21) Heavy Equipment Operator	42.26	6.5% + 19.88
------------------------------	-------	--------------

22) Equipment Operator, Tractor Trailer Driver, Material Men	40.96	6.5% + 19.21
--------------------------------------------------------------	-------	--------------

23) Driver Groundmen	26.50	6.5% + 9.00
----------------------	-------	-------------

As of:

Thursday, May 30, 2019

Project: Orville H. Platt High School Track And Field Improvements

23a) Truck Driver 40.96 6.5% + 17.76

---LINE CONSTRUCTION---

24) Driver Groundmen 30.92 6.5% + 9.70

25) Groundmen 22.67 6.5% + 6.20

26) Heavy Equipment Operators 37.10 6.5% + 10.70

27) Linemen, Cable Splicers, Dynamite Men 41.22 6.5% + 12.20

28) Material Men, Tractor Trailer Drivers, Equipment Operators 35.04 6.5% + 10.45

As of:

Thursday, May 30, 2019

Project: Orville H. Platt High School Track And Field Improvements

01) Asbestos/Toxic Waste Removal Laborers: Asbestos removal and encapsulation (except its removal from mechanical systems which are not to be scrapped), toxic waste removers, blasters. **See Laborers Group 5 and 7**

As of:

Thursday, May 30, 2019

Project: Orville H. Platt High School Track And Field Improvements

Welders: Rate for craft to which welding is incidental.

**Note: Hazardous waste removal work receives additional \$1.25 per hour for truck drivers.*

***Note: Hazardous waste premium \$3.00 per hour over classified rate*

ALL Cranes: When crane operator is operating equipment that requires a fully licensed crane operator to operate he receives an extra \$4.00 premium in addition to the hourly wage rate and benefit contributions:

1) Crane handling or erecting structural steel or stone; hoisting engineer (2 drums or over)

2) Cranes (100 ton rate capacity and over) Bauer Drill/Caisson

3) Cranes (under 100 ton rated capacity)

Crane with 150 ft. boom (including jib) - \$1.50 extra

Crane with 200 ft. boom (including jib) - \$2.50 extra

Crane with 250 ft. boom (including jib) - \$5.00 extra

Crane with 300 ft. boom (including jib) - \$7.00 extra

Crane with 400 ft. boom (including jib) - \$10.00 extra

All classifications that indicate a percentage of the fringe benefits must be calculated at the percentage rate times the "base hourly rate".

Apprentices duly registered under the Commissioner of Labor's regulations on "Work Training Standards for Apprenticeship and Training Programs" Section 31-51-d-1 to 12, are allowed to be paid the appropriate percentage of the prevailing journeymen hourly base and the full fringe benefit rate, providing the work site ratio shall not be less than one full-time journeyman instructing and supervising the work of each apprentice in a specific trade.

~~Connecticut General Statute Section 31-55a: Annual Adjustments to wage rates by contractors doing state work ~~

The Prevailing wage rates applicable to this project are subject to annual adjustments each July 1st for the duration of the project.

Each contractor shall pay the annual adjusted prevailing wage rate that is in effect each July 1st, as posted by the Department of Labor.

It is the contractor's responsibility to obtain the annual adjusted prevailing wage rate increases directly from the Department of Labor's website.

The annual adjustments will be posted on the Department of Labor's Web page: www.ct.gov/dol.

The Department of Labor will continue to issue the initial prevailing wage rate schedule to the Contracting Agency for the project.

All subsequent annual adjustments will be posted on our Web Site for contractor access.

Contracting Agencies are under no obligation pursuant to State labor law to pay any increase due to the annual adjustment provision.

As of:

Thursday, May 30, 2019

Project: Orville H. Platt High School Track And Field Improvements

Effective October 1, 2005 - Public Act 05-50: any person performing the work of any mechanic, laborer, or worker shall be paid prevailing wage

All Person who perform work ON SITE must be paid prevailing wage for the appropriate mechanic, laborer, or worker classification.

All certified payrolls must list the hours worked and wages paid to All Persons who perform work ON SITE regardless of their ownership i.e.: (Owners, Corporate Officers, LLC Members, Independent Contractors, et. al)

Reporting and payment of wages is required regardless of any contractual relationship alleged to exist between the contractor and such person.

~~Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clause (29 CFR 5.5 (a) (1) (ii)).

Please direct any questions which you may have pertaining to classification of work and payment of prevailing wages to the Wage and Workplace Standards Division, telephone (860)263-6790.

SECTION 00 41 13 - BID FORM

NAME AND ADDRESS OF BIDDER:

[Name]

[Company]

[Address]

[City, State Zip]

The undersigned, having familiarized () him/herself () themselves with the local conditions effecting the cost of the work, and with the Bidding Documents (including Invitation to Bid, Instructions to Bidders, Supplemental Instructions to Bidders, and this Bid Form), the Contract Documents (including Owner-Contractor Agreement, Performance Bond and Payment Bond, the General Conditions of the Contract for Construction, and the Supplementary Conditions), the General Requirements (Division 1 Specifications), other technical specifications (Divisions 2 through 33), the Drawings, and Addenda, if any thereto, as furnished by Milone & MacBroom, Inc., hereby propose to construct and complete the work proposed for the **Orville H. Platt High School Track & Field Improvements**, all in accordance therewith for the lump sum listed below.

SECTION I – LUMP SUM BID

IF AWARDED ONE SCHOOL:

TOTAL LUMP SUM BID FOR ORVILLE H. PLATT HIGH SCHOOL:

(Consisting of all work necessary to complete this project)

Written Figure (\$ _____)
Dollars & Cents

IF AWARDED BOTH SCHOOLS:

TOTAL LUMP SUM BID FOR ORVILLE H. PLATT HIGH SCHOOL IF AWARDED FRANCIS T. MALONEY HIGH SCHOOL TRACK & FIELD IMPROVEMENTS:

Written Figure (\$ _____)
Dollars & Cents

SECTION II – BASE BID BREAKDOWN

Give the total lump sum for each line item listed below, consisting of all work as described in the specifications and as shown on the Drawings, and as necessary to complete the total work related to each line item. Identify subcontractor and an alternate subcontractor as indicated. If work is to be self-performed, it is not necessary to identify an alternate.

1. General Requirements (Max. 10% of Total Lump Sum)

_____ (\$ _____)
Written Figure Dollars & Cents

2. Play Field Equipment

_____ (\$ _____)
Written Figure Dollars & Cents

3. Site Clearing &
Sediment and Erosion Controls

_____ (\$ _____)
Written Figure Dollars & Cents

4. Earth Moving

_____ (\$ _____)
Written Figure Dollars & Cents

5. Asphalt Paving

_____ (\$ _____)
Written Figure Dollars & Cents

6. Synthetic Turf Surfacing

_____ (\$ _____)
Written Figure Dollars & Cents

ADDENDUM NO.1

NAME OF BIDDER:

7. Synthetic Track Surface

_____ (\$ _____)
Written Figure Dollars & Cents

8. Segmental Retaining Wall

_____ (\$ _____)
Written Figure Dollars & Cents

9. Turf and Grasses

_____ (\$ _____)
Written Figure Dollars & Cents

10. Storm Utility Drainage Piping

_____ (\$ _____)
Written Figure Dollars & Cents

11. Track Edge Drain System

_____ (\$ _____)
Written Figure Dollars & Cents

12. Synthetic Field Subsurface Drainage

_____ (\$ _____)
Written Figure Dollars & Cents

TOTAL

_____ (\$ _____)
Written Figure Dollars & Cents

(The total above shall be the same figure entered for Lump Sum Bid in Section I of this Bid Form).

DEDUCT IF AWARDED BOTH SCHOOLS

_____ (\$ _____)
Written Figure Dollars & Cents

SECTION III – ALTERNATES:

Alternate 1: Natural Grass Field In Lieu of Synthetic Turf
Section 31 20 00 – Earth Moving &
Section 32 84 23 - Irrigation

_____ (\$ _____)
Written Figure Dollars & Cents

Alternate 2: Post-Tensioned Concrete Track Base In Lieu of Asphalt
(See Addendum No.1)

_____ (\$ _____)
Written Figure Dollars & Cents

SECTION IV – UNIT PRICES

Unit Price 1: Removal, Disposal and Replacement of Unsuitable Materials
(Assume 500 Cubic Yards)

_____ (\$ _____)
Written Figure (Per Cubic Yard) Dollars & Cents (Per Cubic Yard)

Unit Price 2: Removal, Disposal and Replacement of Storm Drainage Pipe (15" HDPE)
(Assume 100 Linear Feet)

_____ (\$ _____)
Written Figure (Per Linear Foot) Dollars & Cents (Per Linear Foot)

Unit Price 3: Bituminous Concrete Patching and Repair for Walkways
(Assume 250 Square Feet)

_____ (\$ _____)
Written Figure (Per Square Foot) Dollars & Cents (Per Square Foot)

SECTION V – TIME OF COMPLETION

If awarded this Contract, the Undersigned guarantees Substantial Completion of Contract within 120 calendar days of Notice to Proceed; and guarantees Final Completion (including all punch list items) within 135 calendar days.

SECTION VI – ADDENDUM RECEIPT

Receipt of the following Addenda to the Contract Documents is acknowledged:

Addendum Number: _____

Dated: _____

Addendum Number: _____

Dated: _____

SECTION VII – BID ACCEPTANCE

1. In submitting this bid, it is understood that the right is reserved by the City to reject any and all bids and to waive any informalities or irregularities in the bid received and to accept the bid deemed to be in its best interest. If written notice of the acceptance of this bid is mailed, faxed, or delivered to the undersigned within sixty (60) days after the opening thereof, the undersigned agrees to execute and deliver a contract in the prescribed form and furnish the required bonds within ten (10) days after the contract is presented to him/her for signature.
2. A Bid Bond is required.
3. Attached hereto is an affidavit in proof that the undersigned has not entered into any collusion with any person in respect to this proposal or any other proposal or the submitting of proposals for the contract for which this proposal is submitted.
4. The Owner further reserves the right to reject any bid or all bids, to waive any informalities or irregularities in the bid received and to accept the bid, which in his/her judgment will be in the best interest of the City
