207-10. Meters installed by city; sealing; tampering prohibited; meter reading; sale of water.

- A. All meters installed under Section 207-9 shall be properly sealed immediately upon their installation by an employee of the Water Division and shall not be interfered with or tampered with thereafter by any unauthorized person.
- B. All broken seals shall be immediately reported to the City Water Division.
A charge of Fifty dollars (\$50.00) shall be levied for each broken seal.

If the seal is found tampered with by the same owner of property a second time the fee is \$200 plus (C1 or 2).

If the seal is found tampered with by the same owner of property a third time the fee is \$1,000 plus (C1 or 2).

If the seal is found tampered with by the same owner for a fourth time, service will be terminated and account turned over to legal for further action.

- C. The minimum use charge for any billed period during any portion of which the seal was broken or meter tampered with shall be as follows:
 - 1. Residential (per family or per dwelling unit): **Four thousand (4,000)** cubic feet or maximum recorded consumption during any of the last six (6) billing periods whichever is higher.
 - 2. Commercial or industrial: Twice the highest recorded consumption during any of the last six (6) billing periods.
