**TERMS FOR BULKY WASTE PICKUP**

- 1. There is a limit of five (5) items per pick up.
- 2. All items must be placed on the curb in front of the residence no earlier than 4:00 p.m. the preceding day and no later than 7:00 a.m. on the day of the pick up.
- 3. All items need to be easily accessible.
- 4. Bulky waste items are usually too large to fit in your trash cart like a stuffed chair or a mattress. Often they are items that cannot burn, like a sink.
- 5. We do not take hazardous or toxic waste like paint, motor oil, asbestos, or lead paint chips.
- 6. We will take up to four (4) tires (without rims) and that would count as 4 of your 5 items for disposal.
- 7. We will pick up mattresses and boxsprings. A mattress and boxspring would count as two (2) items.
- 8. We do not take wood loose. It would need to be cut into 3 foot lengths and tied in 18 inch diameter bundles.
- 9. We will not take garbage (food and kitchen waste) or any trash bags or bagged items.
- 10. Propane tanks are not allowed unless the valve is removed.
- 11. Automobile parts, bodies, doors, driver trains, motorcycles or parts, lawn mowers or parts and other similar items are not allowed.
- 12. We will only take the five (5) items described you listed above. If more items are put out, they will be left on the curb.

\*I understand and agree to the above-mentioned terms for bulky waste pickup.
