Answer RFI's**

Q1: There appear to be several instances of damaged markers that were not included in the original RFP Photo Essay, and other markers that are not damaged, per se, but appear to be out of place. Can you clarify what repairs the City actually wants completed with this contract?

A1: On September 13, 2019 City staff will identify the specific monuments for which the City is seeking repairs, with small flags. If you are interested in responding to this RFP please plan to visit the cemetery to view the identified monuments before responding.

Q2: Are cemetery records or maps available that would help identify plots or names on the monuments?

A2: There are minimal records available for the cemetery. A 1927 plot map was included in a report that was prepared in 2017 and can be made available upon request.
