

# THE SALVATION ARMY IS HELPING THOSE AFFECTED BY COVID-19

## OUR RESPONSE TO COVID - 19:

The Salvation Army in Meriden is doing everything possible to serve the community, especially in light of COVID-19. Our food pantry is open Monday-Friday, taking every safe precaution necessary. We will continue our soup kitchen Saturdays & Sundays, serving all meals “to-go,” and continue to provide rent/utility assistance. We are aware of the affects COVID-19 is having on both low-income households and all working citizens. We are here to provide basic needs to all, serving all without discrimination.
