1. All members of the public are required to wear masks, regardless of vaccination status while conducting business in City buildings.
2. All employees must utilize masks in the public areas of City buildings, regardless of vaccination status.
3. This policy will be in effect until current case numbers and positivity rate drops to a more acceptable level.
4. All departments and City buildings are currently open to the public.

Specific questions concerning services may be answered by calling, or emailing the respective department that members of the public are intending to visit.
