- * Carabetta Enterprises, Inc. and Meadow Haven (the "Taxpayers") are among the related Carabetta companies which jointly filed a petition for relief under Chapter 11 of the Bankruptcy Code in June 1992. The City filed a proof of claim for \$1,493,033.40 in delinquent taxes, water and sewer charges, interest and penalties owed to it by the Taxpayers at the time of such filing. In addition to the delinquencies which are subject to the proof of claims, the Taxpayers owe the City of Meriden subsequent delinquent taxes, water and sewer charges, interest and penalties. Resolution of the total amount owed to the City is expected to be part of the confirmed plan of reorganization of the Carabetta companies to be approved by the bankruptcy court. Filed tax liens of the Taxpayers were included in the bulk tax lien sale. Because of the bankruptcy proceedings and the assignment transaction, the final amount of the taxes owed, as well as the allocation of payments to the City and the Assignee, remain unresolved.
- ** Based on net taxable grand list for October 1, 2000 of \$1,941,535,686.
- *** On April 20, 2001, Yankee Gas Services Company ("Yankee") and the Connecticut Light and Power Company ("C,L&P") obtained a judgment against the City of Meriden (the "City") from property tax appeals for each of the grand list years 1991 through 1999.

Yankee and CL&P challenged the adjustments made by the Assessor to their personal property tax filings in each of the grand list years in question. In making the adjustments, the City determined the present value for Yankee's and CL&P's personal property subject to tax using a replacement cost new less depreciation ("RCNLD") method. The trial court found that this overvalued the property and the relief available was for the court to revalue the property "de novo." In determining value "de novo," the trial court determined original cost less depreciation ("OCLD") to be the most appropriate method of valuation, and further found the fair market value of Plaintiffs' personal property to be "as filed" by Plaintiffs, notwithstanding Meriden's submitted evidence that Plaintiffs' filings were inaccurate and deficient. The trial court ordered the City to pay Yankee and CL&P a total amount, as of April 20, 2001, of \$15,626,860, plus the amount of any "excess" that the Plaintiffs paid with respect to the second installment of taxes on the 1999 grand list.

On May 7, 2001, Meriden filed an appeal with the Appellate Court. On June 27, 2001, the trial court granted in part the motion filed by Meriden seeking a stay pending appeal. While the trial court found that no automatic stay was available under the appellate rules, the court exercised its discretion, directing that a stay issue with respect to all years at issue in the litigation, provided that Meriden make monthly payments on the running of interest in the amount of eight percent (8%) commencing on July 15, 2001. Meriden has filed with the Appellate Court a motion for review of the stay order. The stay was granted until the motion is heard.

The City is negotiating a settlement with the plaintiffs and expects that an agreement will be reached with the Plaintiffs in return for a total payment by the City of \$14.9 million, the withdrawal of all pending appeals, and the correction of assessments related to the 2000 grand list year.
